Blinds measuring sheet

	Width (a) on the measuring guide. Tip: Circle smallest number for easier ordering.		(b) on the measuring guide.		Control side Do you want to control the blind from the left or right side?	Control length How long does the control need to be? Specify in mm and measure from the top of the blind.		
	(a) 1	(a) 2	(a) 3	(b) 1	(b) 2	(b) 3		

We've got it covered

Allowances for brackets and other hardware are taken care of at our end so you only need to supply the exact measurement of your window (this chart is for your reference only).
